Dear Wholesale Customer,

Our sources predict that even with the new cocoon crop in the Spring, there may be a slight increase in prices. Energy costs have risen astronomically, as have labor costs. Workers have many other employment options, and fewer choose to work in silk factories. Another important factor is the exchange rate, which has changed drastically over the past few years. For these reasons, we will offer you the best prices possible, but please understand our costs are not stable. Prices in this brochure are for reference only and for exact price please telephone, email or check our website.

Exotic Silks has a comprehensive website: www.exoticsilks.com. We encourage you to take a look; there are beautiful images of our fabrics and it is the perfect place to see our printed silks.

All the best,

WHOLESALE POLICIES

MINIMUM ORDER: The minimum quantity for purchase is 15-17 yards for each fabric style and color (25-28 yards for velvets) and 1/2 dozen of all other items. The minimum sale amount is \$100.00.

CREDIT: First time orders are usually sent COD cash. We accept Visa, MasterCard and American Express, but we can only ship directly to the cardholder (name and address on the account). A credit application will be sent upon request. A credit ceiling may be established based on your financial strength and history of prompt payment. A 2% interest charge will be added each month for past due invoices. By accepting credit, you agree to these terms.

SHIPPING: Most orders are shipped within 5 working days. During busy seasons it may take longer. If an item is not in stock, we will advise you when it may be expected. We will keep the item on backorder and ship when it arrives, unless you notify us to do otherwise.

SAMPLES: A complete set of all of our fabric samples is available for the purchase price of \$40.00. The set includes everything current in our inventory and the swatches are approximately 3" X 3".

ORDERING: We will do our best to identify descriptions of colors ordered over the telephone. However, we cannot guarantee a match and cannot accept returns of "mis-matched" colors. If color identification is critical, we suggest you mail a swatch of the shade you wish to order.

Claims must be made within 15 days of receipt of goods. No claims allowed after goods are cut. All sample cut sales are final.

THE CHARACTERISTICS AND CARE OF SILK

CHARACTERISTICS: It is only natural for silks to have some irregularities, this is the nature of 100% silk fabric. Surface variations in silk are to be expected and are desirable. Silk, after all, is a natural fiber, and variations in the weave of silk fabrics are characteristics of the fabric and are in no way to be considered defective.

DRY CLEANING: We recommend dry cleaning for silk fabrics.
